It's more than a walk - it's theater in the streets!

As the lazy, hazy days of summer yield to cool crisp autumn nights, we look ahead to the time of year when we can embrace all that's scary and creepy. Whether you're just out to have some fun or learn something of the paranormal, the Marble Orchard Ghost Walks showcase Lewiston's rough and tumble frontier past as well as its gloriously ghost-filled present.

Lurking behind Lewiston's cheerful disposition lies an impressive past of creepy events, restless spirits and haunted buildings. During the 90 minute walk, the Marble Orchard Players will take you back in time as they share ghost stories, myths and tales of tragedy, crime, mayhem and murder, the grim and ghastly deeds of Lewiston's best...and worse.

Step back in time as our offbeat, theatrical guides walk you through the Historic District, ending up (as in life) in the Village Cemetery. They'll provide you with an eerie and fun-filled adventure as you learn about curses, graveyard etiquette and bizarre early medical practices.

The Marble Orchard Ghost Walks are one of WNY's most popular autumn tourist destinations. The walks are a great way to introduce visitors, school children and even long time residents to Lewiston's rich and exciting history.
