

33rd Annual

KeyBank Chalk Walk Competition

August 12, 2017

5th & Center Streets, Lewiston, NY 14092

The 2017 KeyBank Chalk Walk Competition finished just in the nick of time! Immediately after the judging, and just before the awards were presented, the skies opened up and the rain washed all those beautiful murals right down the drain! I hope you were there to enjoy the beautiful work of the 12 teams who participated. Thank you to the artists, the teachers, our volunteers and especially our Chairman, Mary Helen Miskuly for a great event!

Congratulations to the 2017 Award Winners
