A Tribute to the Edmund Fitzgerald

The 6th Annual Tribute was held on Saturday, November 3, 2018
at the BBC @ 436 Center Street, Lewiston, New York 14092

"The Legend Lives On"... and the event, hosted by Thomas Asklar, was a great success!

Thank you to our sponsors, Commodore Higner for the interesting models, and all who attended this fundraiser for Lewisotn Council on the Arts.

A special thank you to Ray Lonsdale for documenting the event with his great photography. We'll post the photos on [our flickr page](#) as soon as they are available.

Check back here next fall for the 2019 event details.
