Watch the chalk fly at the annual KeyBank Chalk Walk Competition, the centerpiece of the Lewiston Art Festival. Teams of student artists from Western New York high schools are invited to create spectacular murals and compete for cash awards, trophies and bragging rights.

Our Chalk Walk is based on I madonnari (street painters), an Italian tradition of street painting that dates back to the 18th century, and will be held during the Annual Lewiston Art Festival which attracts more than 25,000 visitors each year. The competition will be held on a section of a closed-to-traffic street. Pedestrian traffic will be allowed on the street to watch the artists.

## **2019 THEME: PEACE, LOVE & CHALK**

This year we are journeying back to the era of peace and love to pay homage to the 50th anniversary of Woodstock and the Summer of Love, focusing on the cultural revolution that changed art, music and the direction of our country.

Let your imagination run wild and chalk up a masterpiece that reflects your **psychedelic** hippie spirit.
