E mail: director@artcouncil.org • Website: www.artcouncil.org

Dear Food Vendor:

Thank you for your interest in participating in the 2020 Lewiston Art Festival scheduled for August 8 & 9! Please note that we have been GOING GREEN and food vendors on the street will be required to use recyclable and compostable service ware. **Our corporate sponsor Modern Recycling will donate their services to expand recycling and composting at the event and “Green Team” volunteers will be available to assist you and the public in these efforts.** Many festivals and events across the country are moving in this direction and we are very pleased to be on the leading edge of this trend in our region.

Please carefully review the new guidelines for participating in our festival and the acceptable service ware products.

Modern Recycling, our Green Partner, will place a 65 gallon recycling cart near vendors to collect cardboard, cans, plastic, etc from their food prep. If you're interested in having one delivered to your spot, please check the appropriate box on the application. There is no charge for this.

Art Festival Committee

Lewiston Council on the Arts
is committed to reducing the carbon
footprint of the Lewiston Art Festival.

Contact Irene (716-754-0166) before submitting your application.

[] Please bring me a 65 gallon recycling cart.

Festival Information

- The show is held outdoors on Center Street in the Village of Lewiston NY. Center Street will be closed to vehicular traffic.
- Vendors must be pre-registered and will be notified of their space assignment by mail approximately one month prior to the Festival.
- Set-up can begin at 5:00 AM on Saturday.
- Upon arrival you may go directly to your assigned spot and set up.

It is hereby agreed that the above food vendor will provide services in accordance with the following terms:

- Vendors must set up their exhibit only in the assigned space.
- The LCA does not provide electric power. Plugging into street lights is prohibited.
- If you need power you must BRING YOUR OWN GENERATOR. Generator must be quiet enough to not impact surrounding vendors.
- Vendors must provide their own tenting and display equipment
- All items to be sold must be approved in advance. We try to avoid duplication of items sold for the benefit of all vendors. You may be asked to remove items which have not been approved in advance.
- **Vendors will use recyclable and compostable service ware according to the guidelines included**
- **Polystyrene "clamshell" containers and items that are not compostable or recyclable, except as noted on attached guidelines, will not be permitted at the festival.**

Please complete and return a signed copy of this agreement to the address above.

I, (print name) _____ **have read and agree to comply with the guidelines for vending at the Lewiston Art Festival**

Go Green for the 2020 Lewiston Art Festival

August 8 & 9, 2020

Please use only to compostable service ware

Why go green?

- ✓ **It's good for our beautiful historic Village!** Help us decrease the environmental impact of the crowds we host.
- ✓ **It's good for your business!** We'll give you an acknowledgement in the Art Festival program and a green window cling that designates you as a participating business.
- ✓ **It's easy!** We've done the legwork for you and found suppliers of compostable and recyclable service ware. We'll also have **Green Team** volunteers assisting the public in proper disposal of their waste at recycling stations throughout the festival

Please let us know if you'll be making the switch 754-0166
or director@artcouncil.org

Help us eliminate Styrofoam!

Lewiston Council on the Arts
is committed to reducing
the carbon footprint of the
Lewiston Art Festival.
