Dear Artists and Vendors,

The Lewiston Art Festival scheduled to take place on August 8th and 9th has been cancelled due to concerns regarding Covid 19.

All booth fees will be refunded to the artists who were accepted into this years show.

We will be featuring many of these artists' work on LCA's Facebook page (Lewiston Arts Council) soon.

We hope you will continue to support our artists, craftspeople and musicians - they are all small business people - the backbone of our Country.

Please follow us on Facebook ([Lewiston Arts Council](#)) for the latest information about our events.
