After much discussion and consideration, Lewiston Council on the Arts (LCA) regrettably announces the cancellation of this year's Marble Orchard Ghost Walks. We will miss welcoming thrill seekers from across WNY and seeing Lewiston filled with hundreds of visitors enjoying 'theatre in the streets' on Saturday nights in September and October.

We tried our best to figure out what a ghost walk would look like during a pandemic, and decided it best to be safe. From the safety of our homes, we will concoct magic potions and herbs to ward away the evil spirits that may be lurking, enjoy horror films, pay homage to the full moon on Halloween, and think about the fun we are missing.

And so the 2020 Season of The Marble Orchard Ghost Walks, in theatrical terms, will be dark. They have been a major fund-raiser for LCA, and donations from generous spirits will be gratefully received.
