

Tonemah & Friends

Singer/Songwriters in the Round

We regret to inform you that due to concerns about public health during the Covid 19 pandemic, these concerts have been cancelled for 2020.

Join us for a series of performances of colorful storytelling and dynamic music that features [Darryl Tonemah](#), 2019 Artist of the Year nominee for the Native American Music Awards! He'll share the stage with both local and national artists who will perform their own music and tell the colorful stories behind the songs.

These unique concerts will be held upstairs, in the intimate space of the historic Lewiston Opera Hall where the audience can relax in a calm and soothing atmosphere. So come on out and enjoy the music, the laughter and the friendship at this remarkable (NEW!) event!

\$10.00 per person | \$5.00 for LCA members
