The Festival features work by more than 180 exceptional artists, fine crafters and vendors. Meet the artists one-on-one and enjoy original works of art — including paintings, sculpture, ceramics, jewelry, fiber, glass, wood, mixed media, and photography.

At the intersection of Center & 5th Streets, watch internationally recognized 3D chalk artist, Anthony Cappetto, add 4D Augmented Reality (AR) and Virtual Reality (VR) to

his 3D mural to create a unique viewing experience on the street. Alongside Anthony will be two elite teams of students, representing Lewiston Porter and Niagara Falls High School for the first ever Chalk Walk Invitational.

There's plenty of interactive fun for all ages at the Festival this year. Get a henna tattoo, face painting or a caricature done and there will be 2 FREE hands-on activity areas that will make it fun for the kids! At ArtZone #1 the Lewiston Public Library will sponsor activities from Noon – 4pm both days where kids of all ages can make a 'sharktastic' shark magnet! Artzone #2 will bring Artpark's free family activities to the Festival on Saturday and will feature artmaking by the Castellani Art Museum of Niagara University on Sunday. Hours are noon - 4pm both days. While you're visiting the Iroquois Market, you can learn to make a "Jitterbug", a popular Tuscarora craft.

## Iroquois Market @ the Art Festival

Hennepin Park Gazebo will be transformed into an Iroquois Market that brings to life the rich culture of our Haudenosaunee friends and neighbors. Join us for a celebration of traditional and contemporary Native American culture expressed through art, music, drumming and dance. The Market will feature more than a dozen Native artisans and our host and emcee Randy Greene, will introduce the Niagara River Iroquois Dancers, Perry Ground, Talking Turtle Stories and singer/song writers, Mark Porter & Darryl Tonemah.
